LOCAL BUSINESS · DIGITAL GROWTH

Your next customer is checking you out online.

What do they see?

Professional websites · Local visibility · Branding · Practical digital solutions

REKODE DIGITAL

Winnemucca, Nevada | Serving Northern Nevada

THE CUSTOMER JOURNEY

Three moments that shape a first impression

Your online presence should make each next step obvious.

01

FIND

Can someone discover your business when they need it?

Search results · Business listings

02

TRUST

Does what they see make you look credible?

Clear services · Strong visuals

03

CONTACT

Can they call, request a quote, or visit easily?

Tap-to-call · Simple forms

A missed step can mean a missed inquiry — even when your service is excellent.

Which business looks easier to choose?

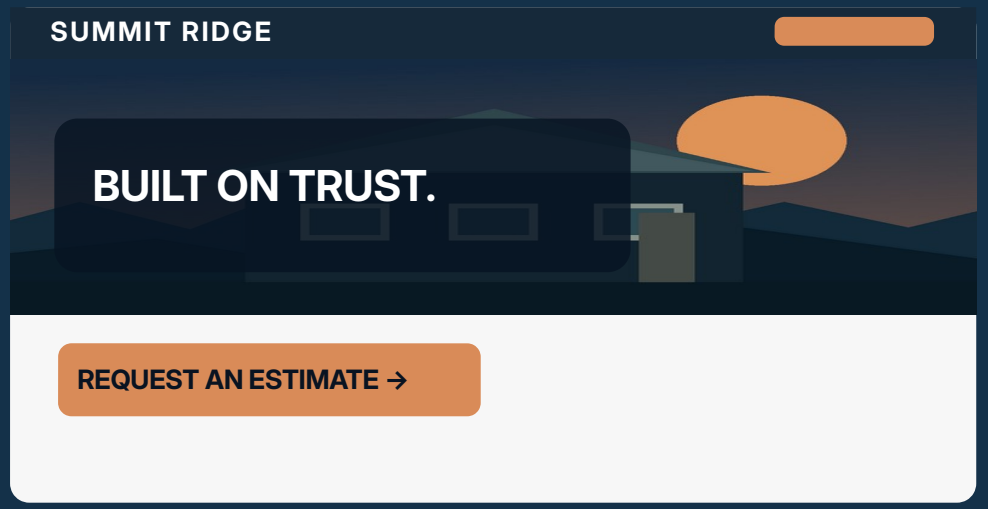

Same capable business. A very different first impression.

BEFORE · COMMON FRICTION

Hard-to-scan pages · No clear next step

AFTER · BETTER EXPERIENCE

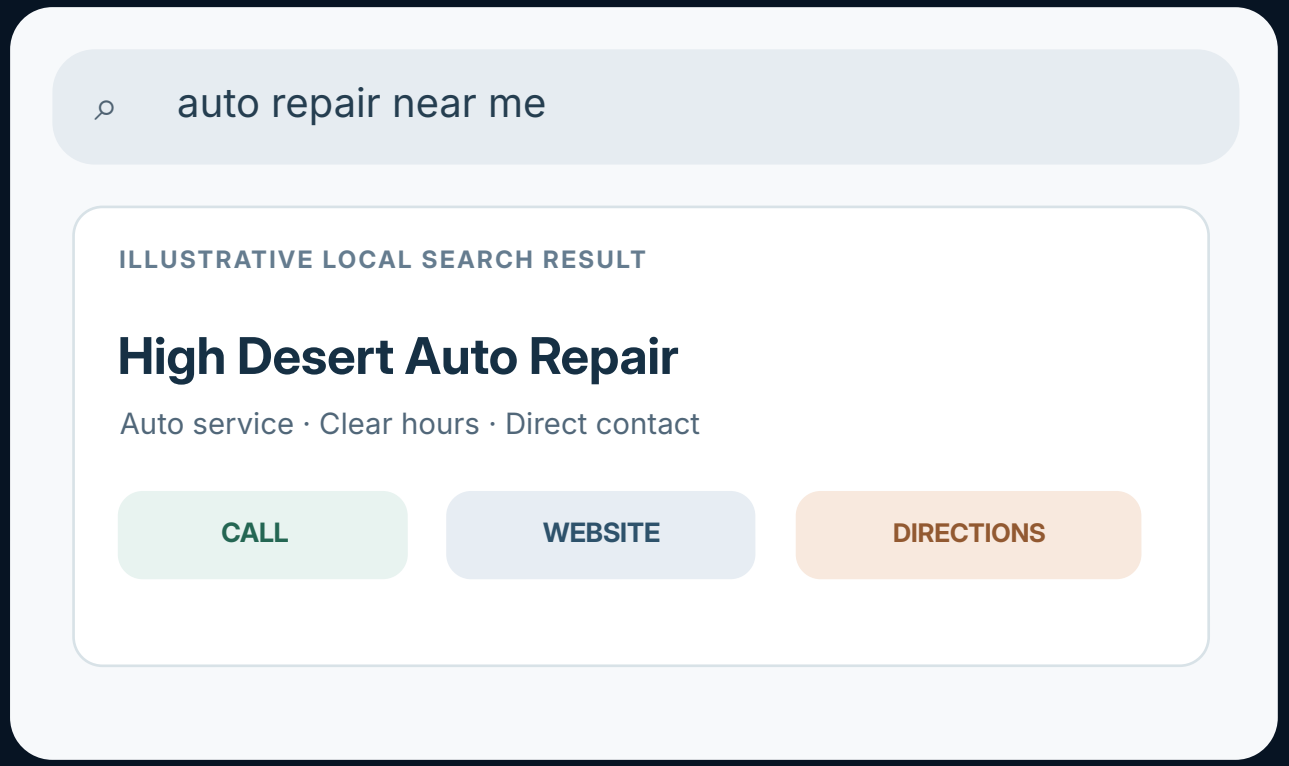

Clear services · Visual proof · Easy contact

Concept illustration — not an actual client before-and-after.

GET FOUND LOCALLY

Help nearby customers connect the dots

Local search, your website, and contact details should work together.

Be discoverable

Accurate business information

Be convincing

A professional first impression

Be reachable

Simple paths to call or inquire

Search preview is a conceptual example, not a live Google ranking.

HOW REKODE HELPS

Practical tools. No unnecessary complexity.

A right-sized approach for the needs of your business.

01

WEBSITES

Responsive, clear, and built to encourage action.

02

LOCAL VISIBILITY

Help customers find accurate, useful information.

03

BRANDING

Present a consistent, memorable first impression.

04

DIGITAL SOLUTIONS

Simplify inquiries and everyday digital workflows.

Start with what moves the needle — add more only when it makes sense.

SEE THE DIFFERENCE

A website should be more than a brochure

Give visitors confidence and an obvious way to take the next step.

Clear offer

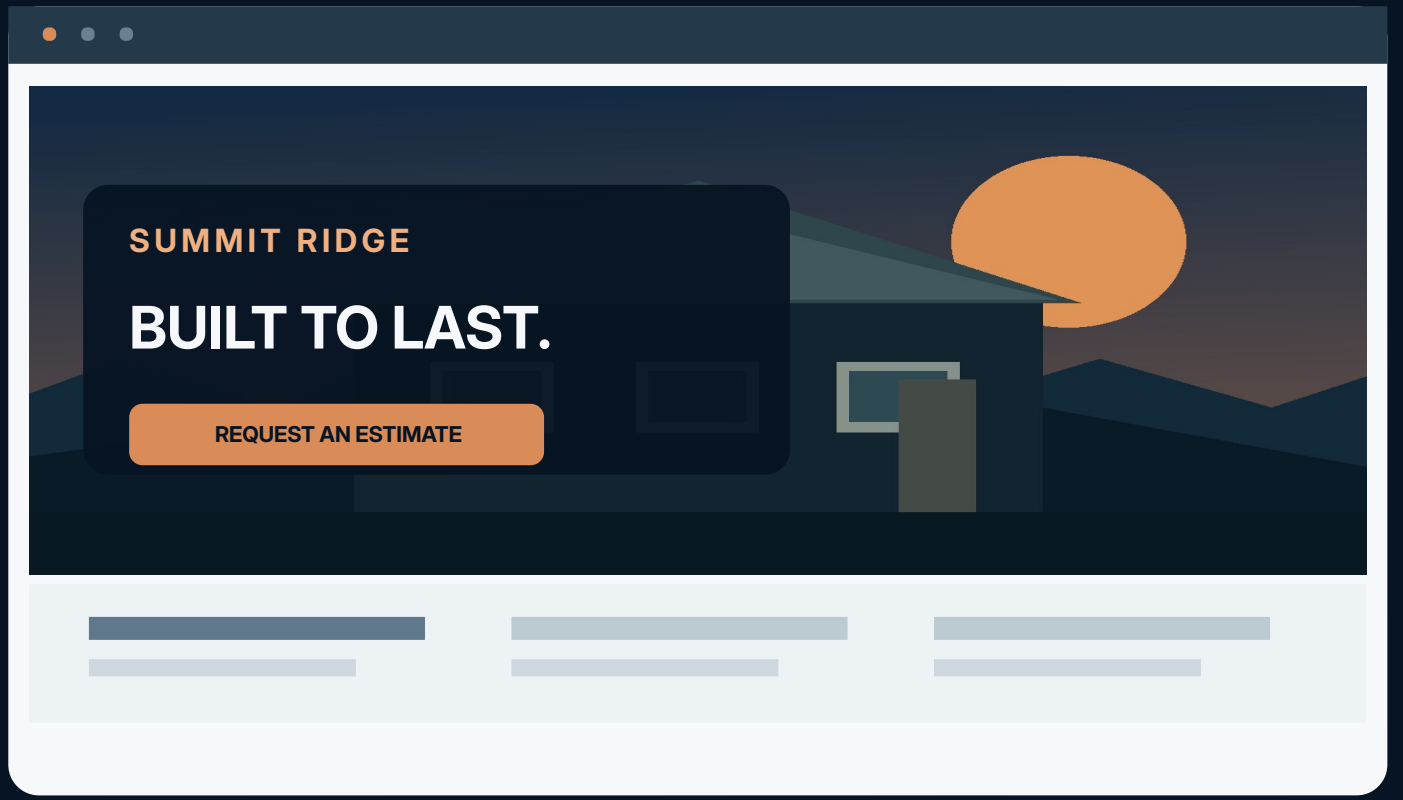

Say what you do and who you help.

Strong proof

Showcase work, services, and personality.

Easy conversion

Help customers call or request a quote.

Illustrative layout for a fictional construction business concept.

EXPLORE THE POSSIBILITIES

Designs tailored to different industries

Your business is unique. Your website should feel that way.

Summit Ridge

Construction

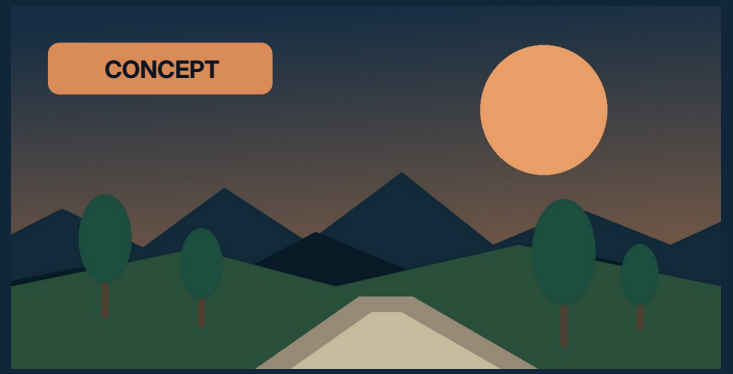

Show projects & request estimates

High Desert

Auto Repair

Build trust & explain services

Silver State

Landscapes

Showcase work & collect inquiries

Concept projects are fictional demonstrations — not actual client work.

A SIMPLE WORKING PROCESS

From first conversation to finished solution

Clear decisions, practical steps, and direct communication.

1

DISCOVER

Your goals, customers, and pain points

2

PLAN

Prioritize what the business needs

3

BUILD

Design, develop, and refine

4

LAUNCH

Go live and review what's next

You work directly with Rekode Digital — no big-agency runaround.

A NO-PRESSURE START

The Free Business Visibility Review

A personalized look at how customers experience your business online.

Local search visibility

Can people find you?

Website & mobile experience

Does the site work on phones?

Trust & first impressions

Would customers feel confident?

Next-step opportunities

What should improve first?

Free to request · Personalized follow-up · No obligation

First impression

ILLUSTRATIVE REPORT

LET'S TALK ABOUT YOUR BUSINESS

Three useful questions to start with

We can identify the best first improvement without a complicated sales pitch.

01

How are new customers finding you today?

Google? Facebook? Word of mouth?

02

What do you wish worked better online?

Visibility? Trust? Inquiries?

03

What would make the biggest difference?

More calls? Better presentation? Less manual work?

YOUR NEXT STEP

Let’s show your business at its best.

Start with a FREE Visibility Review.

No obligation. Just practical observations and ideas built around your business.
